Important Notes:

* Please pay attention to the content and format of the presentation abstract template, **particularly the novelty and depth of your presentation**, when preparing your abstract. A comprehensive abstract is very important for your speech to be accepted.

* TMC Technical Committee will decide whether to accept the presentation mainly on the basis of the abstract review.

* Organizing Committee will review the presentation submitted to check the advertisement content and its consistency with the abstract.

* Organizing Committee suggests that your technical executive give the speech, which could better present your technology leadership image and attract more high-level representatives from your customers.
